MIDWEST BROILER/FRYER - Whole broiler/fryer majorities were unchanged to slightly lower from last Monday's final; Ohio cities TFEWR. Whole fryer market tone was barely steady to weak. Trade inquiry was light. Heavy weight bird offerings were plentiful, smaller birds were adequate. Overall, demand was tapering into all channels and noted as light to moderate. Floor stocks adequate to long; sizes desirable. Supplies of parts were available. Most locations were noting little disruptions from immigration protests, although some slaughter and processors were not operating. The market tone was steady to firm on dark meat, and steady on the balance of parts.
